

**GUIDELINES
FOR NOMINATION CONTESTANTS
NOVA SCOTIA LIBERAL PARTY**

Recruitment

Electoral District Associations (EDAs) hold the primary responsibility for identifying candidates. This critical role is supported by the Leader, Nova Scotia Liberal Party (NSLP), and Campaign team. Working together, we will ensure the NSLP fields the strongest team of candidates in the next provincial election. The “Candidate Recruitment Guide”, available from the NSLP, can be a helpful resource.

Requirements for Nomination Contestants

Individuals interested in seeking the nomination will be required to complete the “Intention to Seek Nomination Form” (Form A) and provide it to the NSLP. This form requests personal information, employment, and volunteer history and includes a disclosure agreement.

Potential nomination contestants will be required to sign Form B, Financial Undertaking. By signing this form, the candidate agrees that the candidates’ official agent will pay an invoice from the candidate’s campaign to the NSLP for a pro-rated share of central campaign advertising, communications, polling, printing, and like costs during the provincial election. In the event of a by-election, this does not apply.

It is important to remember that the Leader must confirm each candidate with Elections Nova Scotia to represent the Party. He has a responsibility to ensure that candidates will properly represent the Liberal Party and therefore has the right to reject candidates.

Potential nomination contestants must be members in good standing of the Nova Scotia Liberal Party and shall not hold current memberships in another recognized party.

Access to Membership Lists

Upon receipt of the Intention to Seek Nomination and Financial Undertaking forms by the NSLP, nomination contestants are eligible to receive a membership list for the EDA. The prerequisite for this access is the successful completion of the full nomination process, with sign off from the Campaign Chair. Please see Forms C and D.

Setting the Nomination Meeting

Having conducted a thorough Candidate Search (as per the “Candidate Nomination Rule”), the the EDA President shall advise the NSLP that the EDA has completed the Candidate Search.

In consultation with the EDA, NSLP, Nomination Contestant(s), and the Leader of the NSLP, the Campaign Chair shall call the Nomination Meeting.

Please see the “Candidate Nomination Rule” for additional details.

Electoral Urgency

If, in the opinion of the Campaign Chair, a situation of electoral urgency exists, the Campaign Chair may abridge the procedures and requirements (other than the Nomination Filing Fee) in this document (Guidelines for Nomination Contestants) in such manner as they see fit, to expedite the nomination process. Any changes to the procedures and requirements of this document (Guidelines for Nomination Contestants) must be communicated in writing to any affected EDA Executive and Potential Nomination Contestants.

Furthermore, any changes to the procedures and requirements in this document (Guidelines for Nomination Contestants) made by the Campaign Chair may not contravene the By-laws and Rules of the Nova Scotia Liberal Party.
